**Time:** 8:30am–6.15pm (registrations from 8am)

**Cost:** \$50pp, includes catering and networking drinks

**Register:** [RSVP here](#)

**RSVP:** 10 April 2026

Join MLA at the 2026 Morven BeefUp Forum to hear about the latest local insights and world-leading research and technologies for the northern beef industry.

Throughout the forum, attendees can expect to:

- ↗ gain insights into improving livestock, land and business performance
- ↗ connect with local producers, advisors and researchers
- ↗ hear about how new practices and technologies are being used on-farm in your region
- ↗ find out about the programs, tools and resources available to you.

Beef producers in the Morven area can look forward to a regionalised program with:

- ↗ discussions and insight into the current live export markets
- ↗ updates on the current research and development outcomes and opportunities
- ↗ information about the nutrition opportunities available for cattle producers
- ↗ all meals included, with plenty of time to catch up and network.
